COMMUNICATING WITH FAMILIES ABOUT CHANGES IN ENROLMENT STATUS

All communications regarding changes to enrolment status will be made directly with students and parents, in accordance with the latest contact details provided to the school. Parents must therefore keep The Cathedral School informed of their current contact details, as per the conditions of the student visa.

Where relevant and where approved by the parents, the school may also share copies of correspondence with the child's education agent to help facilitate communication about any changes in enrolment status. However, the parents with whom the school has a formal written agreement are the primary contact for the school in such matters. The school will not act on any decision affecting the student's enrolment that is not made by the parents.

STUDENT-INITIATED DEFERMENT OF COMMENCEMENT OF STUDY

The Cathedral School will only grant a deferment of commencement of studies for compassionate and compelling circumstances. These include but are not limited to:

- illness, where a medical certificate states that the student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided)
- major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies
- a traumatic experience which has impacted on the student (these cases should be supported, where possible, by police or psychologists' reports)
- after undertaking ELICOS studies, the student has/will not meet the English language requirement for entry to the desired course, and the school is willing to defer the student's commencement in the course until a later date when the required level is achieved.

All applications for deferment will be considered within 10 working days.

The final decision for assessing and granting a deferment of commencement of studies lies with the Principal. Where a student's request to defer his/her commencement of studies is refused, the student has a right of appeal. (see The Cathedral School's Complaints and Appeals Policy).

Deferment will be recorded on PRISMS within 14 days of being granted.

STUDENT-INITIATED SUSPENSION OF STUDY

Once the student has commenced the course, The Cathedral School will only grant a suspension of study for compassionate and compelling circumstances. These include but are not limited to:

- illness, where a medical certificate states that the student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided)
- major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies

- a traumatic experience which has impacted on the student (these cases should be supported, where possible, by police or psychologists' reports)
- student returns to their home country to sit a university exam (or similar assessment) which impacts upon their education
- where there is a significant issue impacting upon a student's attendance or course progress, it is essential that the student or parents contact the school as soon as possible to discuss the concern so that appropriate support can be put in place. Where deemed necessary, this may involve temporarily suspending the student's enrolment so that matters can be resolved without having a negative impact on the student's ability to satisfy their visa conditions.

Applications for suspension of students must be made in writing and submitted to the Principal. Applications will be assessed on merit and the decision will be provided in writing within 5 working days.

As part of any assessment of a request to defer or temporarily suspend studies, the impact of the request on the student's ability to complete their intended course of study in accordance with their CoE/s and student visa will be considered. Any implications will be communicated to students.

Temporary suspensions of study cannot exceed 6 months duration. The period of suspension will not be included in attendance calculations.

Suspensions will be recorded on PRISMS within 14 days of being granted if the student is under 18 years of age, and within 31 days if the student is over 18 years.

Where a student's request to suspend studies is refused, the student has a right of appeal (see The Cathedral School's Complaints and Appeals Policy).

STUDENT-INITIATED CANCELLATION OF ENROLMENT

Any notification of withdrawal from a course, or application for refund, must be made in writing and submitted to the Principal. Please see The Cathedral School's Refund Policy for information regarding refunds.

A student will be deemed to have inactively notified The Cathedral School of cancellation of enrolment where the student has not yet finished his/her course/s of study with the school, and does not resume studies at the school within 14 days after a holiday break, and the student has not previously provided the school with written notification of withdrawal.

Student-initiated cancellation of enrolment, including 'inactive cancellation of enrolment' (as outlined above) is not subject to The Cathedral School's Complaints and Appeals Policy.

SCHOOL-INITIATED EXCLUSION FROM CLASS

The Cathedral School may exclude a student from class on the grounds of misbehaviour by the student. Exclusion will occur as the result of any behaviour identified as resulting in exclusion in The Cathedral School Rules or Behaviour Management Policy.

Students may also be excluded from class for failure to pay fees that he/she was required to pay in order to undertake or continue the course, as stated in the written agreement.

Where The Cathedral School intends to exclude a student from class it will first issue a letter which notifies the student and parents of this intention. The letter will provide details of the reason/s for the intended exclusion, as well as information about how to access The Cathedral School's internal

appeals process. Further information about the appeals process in the event of a school-initiated exclusion from class is outlined below.

Excluded students must abide by the conditions of their exclusion from studies, which will be determined by the Principal. The conditions will take into account the accommodation and welfare arrangements in place for the student.

Where the student is provided with homework or other studies for the period of the exclusion, the student must continue to meet the academic requirements of the course.

Periods of exclusion from class will not be included in attendance calculations as per The Cathedral School's Course Progress and Attendance Policy.

Exclusion from class will not be recorded on PRISMS.

SCHOOL-INITIATED SUSPENSION OF STUDIES

The Cathedral School may initiate a suspension of studies for a student on the grounds of misbehaviour by the student. Suspension will occur as the result of any behaviour identified as resulting in suspension in the Cathedral School Rules or Behaviour Management Policy.

Students may also be suspended for failure to pay fees that he/she was required to pay in order to undertake or continue the course, as stated in the student's written agreement.

Where The Cathedral School intends to suspend the enrolment of a student, it will first issue a letter that notifies the student and parents of this intention. The letter will provide details of the reason/s for the intended suspension, as well as information about how to access The Cathedral School's internal appeals process. Further information about the appeals process in the event of a school-initiated suspension is outlined below.

Suspended students must abide by the conditions of their suspension from studies and must adhere to any welfare and accommodation arrangements in place, as determined by the Principal.

Students who have been suspended for more than 28 days may need to contact Department of Immigration. (Please see contact details at: <http://www.border.gov.au/about/contact/offices-locations>)

Suspensions will be recorded on PRISMS. The period of suspension will not be included in attendance calculations.

SCHOOL-INITIATED CANCELLATION OF ENROLMENT

The Cathedral School will cancel the enrolment of a student under the following conditions:

- Any breach of an agreed condition of enrolment as outlined in the student's Written Agreement, including failure to disclose a pre-existing condition requiring a high degree of additional support or care
- Failure to pay course fees
- Failure to maintain approved welfare and accommodation arrangements (visa condition 8532)
- Any behaviour identified as resulting in cancellation in The Cathedral School Rules or Behaviour Management Policy.

Where The Cathedral School intends to cancel the enrolment of a student it will first issue a letter which notifies the student and parents of this intention. The letter will also provide details of the reason/s for the intended cancellation, as well as information about how to access The Cathedral

School's internal appeals process. Further information about the appeals process in the event of a school-initiated cancellation is outlined below.

The Cathedral School is required to report any confirmed breach of course progress and attendance requirements to the Department of Immigration. Where a student is reported for breach of visa condition, his/her enrolment at The Cathedral School will be cancelled and this may impact on the student's visa. Further information can be found in The Cathedral School's Course Progress and Attendance Policy.

Appeals process

For the duration of the internal appeals process, The Cathedral School will maintain the student's enrolment and the student will attend classes as normal. The Principal will determine if participation in studies will be in class or under a supervised arrangement outside of classes.

If a student decides to access The Cathedral School's complaints and appeals process because they have been notified of a school initiated suspension or cancellation of enrolment under Standard 9, the change in enrolment status will not be reported in PRISMS until the internal complaints and appeals process is finalised, unless extenuating circumstances relating to the welfare of the student apply (see Definitions below).

Where extenuating circumstances are deemed to exist, a student may still access the complaints and appeals process, but The Cathedral School need not await the outcome of this process before changing the student's enrolment status in PRISMS. If the school has issued a CAAW for such a student, welfare provisions under Standard 5.6 are applicable.

The use of extenuating circumstances by The Cathedral School to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by appropriate evidence.

The final decision for evaluating extenuating circumstances lies with the Principal.

Student to seek information from the Department of Immigration
