CONDITIONS FOR PAYMENT OF SCHOOL ACCOUNTS

These Conditions apply to all accounts used for fees and other charges incurred by families of students who have attended the School in the past, who currently attend the School, and who will attend the School in the future.

All persons who sign the student's Application for Enrolment and/or Enrolment Contract are jointly and severally liable for paying school fees. Any variation to this condition will require signed consent by all parties, including the School.

The School's Board of Directors has the discretion to vary conditions regarding payment of accounts, charging of interest and cancellation of enrolment.

1. FEES & CHARGES

Enrolment Fees

The Application Fee is payable upon application for enrolment at the School. It is an administrative fee and is not refundable.

An Enrolment Confirmation Fee (equivalent to one semester's fees in advance) is paid on acceptance of a place at the school. Once this fee has been paid, the Confirmation of Enrolment (COE) will be issued – this is needed when applying for a student visa.

Course Fees

Course fees include tuition fees and non-tuition fees. Tuition fees are those charges directly related to the provision of the course; non-tuition fees include accommodation charges, health insurance, Outdoor Education camps, uniforms and stationery items. Course fees are set annually but may change during the year. Fees are payable six months in advance and must be paid in Australian dollars.

If a student changes visa status (e.g. becomes a temporary or permanent resident), he/she will continue to pay international student fees until the commencement of the following semester after documentary evidence of the new visa status has been provided to the School.

Fees will only be refunded under the conditions outlined in the Refund Policy (see below).

Health Insurance

Health insurance is compulsory for all international students and it is a visa requirement that approved Overseas Student Health Cover is purchased in advance for the full course duration. This will be levied as part of the Enrolment Confirmation Fee, unless the student provides proof of other acceptable medical insurance cover.

2. PAYMENTS OF SCHOOL ACCOUNTS

Course fees are charged to accounts prior to the commencement of each new semester (January and July). These fees are due and payable by the first day of the semester to which they apply. Other amounts are charged to accounts as and when they occur. A Statement of Account is issued at the end of each month and balances greater than \$A1000 are due by the end of the following month. Smaller amounts can be carried over to the next payment period.

Payment of Account

Payments are receipted to accounts on the date of their receipt by the School and are applied to the oldest charges on the account at the time of receipt.

Fees Paid in Advance

Fees paid in advance are held in trust and drawn down to pay fees as they become due. Fees held in credit will be refunded upon student withdrawal, provided that written notice is given at least one term (10 weeks) prior to the student's departure from the School. (See Refund Policy below)

Uniform and Stationery Purchases

Uniforms and some stationery items are available at the School Retail Shop. Items purchased must be paid for at the time of purchase. Payment can be made using cash, cheque, debit or credit card, or can be charged to the family's account if the account has a credit balance.

3. CHANGES IN ENROLMENT STATUS

Students must notify the School in writing of any variation to their enrolment status. The impact on fees is explained below.

Temporary Absence

No deductions from fees are allowed for delays in students returning to school, for absence during the school term, or for the earlier completion of Year 12.

Change of Boarding Status

If a student wishes to change from boarding to homestay or vice versa, written notice must be given at least one term (10 weeks) in advance. Any such change in status will be subject to suitable accommodation being available and will require the approval of the Principal. The student's account will be adjusted as required after the change in status has taken effect.

Withdrawal of Enrolment

Student withdrawal must be notified in writing to the Registrar at least one term (10 weeks) prior to departure date. For students not continuing the following year, notice is required by the first day of fourth term (beginning of October). In the absence of such notice, one half of a semester's fees will be charged, unless otherwise agreed by the Principal. (See Refund Policy at 6. below.)

4. OVERDUE ACCOUNTS

If payment of an account is not received in accordance with the requirements of Clause 2, then the account is overdue.

Late Payment

Interest is charged on all overdue balances at the rate determined by the School Board by annual review; such rate to be notified at the base of the Schedule of Fees.

Payments received during the month that only partially pay the opening balance will reduce the amount on which interest will be charged by the amount of the receipt.

Penalties for Non-Payment

The School reserves the right to cancel a student's enrolment for non-payment of School Fees from the commencement of a semester if fees for that semester have not been paid.

The School reserves the right to cancel a student's participation in any extra-curricular activity that incurs an additional cost if fees are outstanding. The School reserves the right to withhold school documentation if there are any monies outstanding.

Debt Collection Fees

Should an overdue account be referred to a solicitor or licensed commercial agent, all costs incurred will be borne by the account holder.
