

Welcome to

PREP OPEN DAY

The Cathedral School
of St Anne & St James
TOWNSVILLE

It is always a joy to welcome new faces to our beautiful school. The Cathedral School offers students and their families something very special; words alone cannot convey our culture and community to true effect. It is something you need to experience firsthand. That is why I am so pleased to offer this opportunity for your family to experience Cathedral through our Prep Open Day.

Starting Prep is such an important milestone in a child's development. These early years are the most formative; when the foundations of knowledge are built. Upon this base your child will build a mound of knowledge through their schooling journey. At the Cathedral Junior School our focus is firmly on the experience of each individual child.

We encourage children to investigate, explore, play and wonder... why? We nurture confident and happy learners and give them the skills and thirst for acquiring knowledge. And, it is particularly important that our littlest learners develop a love for school and an eagerness to race through the school gate.

Please enjoy your morning with our wonderful Preppies and Teachers and welcome to the Cathedral community.

A LIBRARY, AT THE
CATHEDRAL SCHOOL WE
HAVE A **WONDER HUB!**

The Wonder Hub is an ever evolving
Museum where professionals within
the community visit and provide
students with the opportunity to
experience and understand what it's
like to do their job. **Because you're
never too young to decide what you
want to be when you grow up!**
